

FRANCE -My dream destination

I have always loved going to the beach. I want to travel the world and go to the beach in every country in which that is possible. France has lots of beaches from Saint-Tropez in the south to Calais in the north <http://www.tripadvisor.com.au/TravelersChoice-Beaches-cTop-g187070>. That's why I think France is the best country to visit.

France is also a beautiful country with lots of historic villages and mountainous terrain. I like rock climbing so I hope while I'm there my parents will take me to the famous Verdon Gorge. Perhaps when I am older I will be able to climb Mont Blanc, the tallest mountain in Western Europe, which is also situated in France.

France is one of the most visited places in Europe and I want to be there!
